Specifications

Highlights

Designed to reach every area

This specially-designed brush easily reaches every part of your face, including hard-to-reach areas like the creases of the nose.

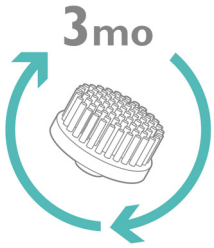
Deep cleansing brush

The brush comes with a unique combination of thicker and thinner bristles. The thin bristles reach into and thoroughly cleanse the pores, while the thicker bristles swipe away the dirt. The deep pore cleansing brush helps to reduce blackheads and is designed to make pores less visible. It easily reaches difficult areas around the nose. An easy way to achieve clean, healthy looking skin without impurities.

Click-on brush head

Click-on, click-off feature makes the brush head easy to replace.

Long lasting brush



For excellent skin-cleansing results, as well as the best hygiene, it is recommended that you replace the brush head every 3 months.
